

We  
hear...

THAT the non-profit Jazz at the Ballroom is hosting a "Holiday In" virtual benefit show this Friday, Dec. 4, to support their organization and the Actors Fund, hosted by Emmy-winning NY1 reporter **Frank DiLella** and **Kathryn Crosby**. One of the performances was filmed with American icon Cole Porter's (right) Steinway & Sons 1907 grand piano, gifted to him by the Waldorf Astoria, where he was a longtime resident. The piano is currently housed in the sales gallery for The Towers of the Waldorf Astoria.
